

K9 Coach & TRUNNER Services

2025

It's not just about
training the dog, it's
about teaching the
human how to
interact with their dog.

Services

Dog Training

- Dog Training Packages with Group Training
- Individual Sessions
- Group Training (Members Only)
- TRUNNER Packages

Main Questions to ask yourself:

What is your routine like with your dog?

How often do you exercise your dog?

What are problems that you are dealing with your dog?

How long is your dog home alone?

Do you trust your dog to do the right thing?

8 hours Max

If your dog is home alone, they should not be left more than 8 hours (less if they are puppies) and should be put in a spot where they can't be destructive such as a crate or a room.

TRUNNER Package: Train & Exercise Your Dog

With K9 Coach

- Stay consistent with training in-home and in any environment.
- Dog gets mentally & physically stimulated.
- Reduced behavioral issues.
- Personalized follow-up videos and tips.
- Overall healthier relationship & communication style with your pup.

With Wags/Rover/ other walkers

- Inconsistency with training.
- Limited to just walking service.
- May not meet dog's needs entirely.

How does it work?

Owner needs to agree to requirements:

Crate Training & Boundary Setting

Hand-Feeding - Engagement

Place Training - boundary & obedience training

Dog needs to understand that humans lead them.

This is the beginning of clear communication.

General Timeline (varies depending on dog)

Week 1-2

- Have dog understand basic fundamental obedience (Place, Focus, Sit, Down, Wait, Recall, Loose Leash Walking) in low distracting environments.
- Understanding of Markers
- Build confidence if needed
- Understanding of Impulse Control
- Art of Nothing
- Build engagement with Handler(s)
- Leash Pressure
- Introduction to distractions

Week 3-6+

- Basic to Advance obedience
- Focused Engagement in more distracting environments outside the home.
- Choosing to do the right behavior.
- Dog will learn to be neutral around other dogs, humans and outside triggers.
- Running, Skating or Biking with dog, getting them exercised outside the home.
- More outings where you can trust your dog to act quickly & appropriately.
